About 60 people stood or walked in solidarity January 28th, 2016 remembering the day in 1988 when Canada's abortion law was struck down leaving no protection for preborn life at any stage.

Tim Runstedler KW RTL Board Member spoke about the coming Canadian Assisted Suicide law at St. Mary's Church Kit. on January 28th 2016. He defined Assisted Suicide and Euthanasia and outlined Canada's timeline on the path to the legalization of assisted suicide. Highlighting the need for better palliative care and the inadequate availability, he spoke of Dr. Ludwig Guttman who in 1948 began the first paralympics under great resistance. The movie is called the 'Best of Men.'

The same spirit of resistance is still at play today when a society would rather choose to kill a patient instead of helping them live a fuller life until the end through Palliative care that embraces body, mind and spirit.
